

CRAIG CAMERON Horsemanship Clinic

February 6, 7 & 8, 2008

Tucson, Arizona

This popular clinic "From *beginning to winning*" will expand your knowledge and take you and your horse to a new level of horsemanship. Craig has created a program that builds confidence and trust between man and horse. Rather than fight the animal, he offers patience and understanding that leaves the horse wanting to do what is asked of him. Craig uses a philosophy of teaching that eliminates rough handling of horses. At this clinic, Craig's demonstrations will help riders increase their knowledge and understanding of their horse. Clinic topics range from basic to advanced horsemanship, problem solving, and some one-on-one instructions as time allows.
